We use a wide range of ingredients in our kitchen, some of which may contain allergens.

Please let us know if you have a specific allergy or dietary requirement so we can let you know of the most appropriate food choice.

\* Initiated by Cooking Sections, CLIMAVORE is a new form of eating that responds to human alterations of the planet's climate. Following its principles, farmed salmon has been replaced with ingredients that have a regenerative effect on the environment. To find out more about the positive impact of Becoming CLIMAVORE, scan the QR code.

Canteen celebrates the rich design heritage of London's transport by making use of iconic poster artwork, reclaimed signs, tiles and original fittings from the transport network.
